JAN 17 2014

Attention: Sally Hayes

**Subject: Hitman Wipe**  
EPA Registration No: 9402-17  
Notification Dated: December 6, 2013

This will acknowledge receipt of your notification identified above submitted under the provisions of section 3 (c) 9 of the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended and PR Notice 98-10 and 40 CFR 152.46

**Proposed Notification:**

- Label Changes Required by the state of California
- Add administrative text and minor clarifying language to the label
- Add additional EPA Est. No

Based on a review of the submitted material, the following comments apply: The notification dated December 6, 2103 to delete **“including”** add the following to **remain visibly wet for five [5] minutes**” is acceptable. This information has been added to your file.

If you have any questions concerning this letter please contact Zebora Johnson at (703) 308- 7080

Sincerely

Marshall Swindell

Intended for residential and commercial use.

**DISPENSING DIRECTIONS:**

*{One of the following sections will be used for the applicable container type}*

*{Canister Directions}*

**To Dispense:** Open [package] [lid] [and] pull out [wipe][towelette] from center of roll. [Next sheet pops up automatically] [Remaining wipes automatically feed through for next use.] Close [top] [lid] tightly [when finished] [to prevent moisture loss] [to retain moisture].

*{Resealable Package Instructions (Use for product supplied in resealable pouches/packages)}*

**To Dispense:** [Open lid] slowly peel back label [pull out] [remove] [wipes] [towelettes] as needed. To retain moisture reseal [pouch] [package] by firmly pressing [lid] [label] back on the [pouch][package].

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**\*To Sanitize [Non-Food Contact Sanitizer] [/ Deodorize]:**

For hard, non-porous, non-food contact surfaces *{(or:)}To sanitize hard, non-porous, non-food contact surfaces.* Wipe surface using enough wipes to allow treated surface to remain wet for [15 seconds]. [Let surface dry][air dry]. [No rinsing required.] Remove heavy soil prior to sanitization.

**^To Clean and Disinfect:**

To disinfect hard, non-porous surfaces, clean surface to be treated using a wipe to completely remove all debris [soil]. Use a fresh [new] wipe to disinfect, thoroughly wetting surface to be treated. Use enough wipes for treated surfaces to remain visibly wet for six [6] minutes. [No rinsing required.]

*{The Non-Food Contact Sanitizer directions for use (above) must appear on the product label if the following Residual Self-Sanitizing directions are used}*

**\*\*Residual Self-Sanitizing:**

To sanitize for 24 hours [against] [bacteria][*Staphylococcus aureus, Enterobacter aerogenes, and Community-Associated Methicillin Resistant Staphylococcus aureus (CA-MRSA)*] on hard, non-porous, non-food contact surfaces. Use enough wipes to thoroughly [uniformly] treat surfaces to remain visibly wet for five [5] minutes. [Air dry.] [No rinsing required.] [Provides residual sanitizing activity for up to 24 hours.]

Product [residue] will be removed by soap and water. If soap and water are used [e.g. to clean a spill], repeat residual self-sanitizing directions.

**#To Inhibit [Control] Mold and Mildew [for Up to 7 Days]:**

For use on hard, non-porous surfaces. Clean surface first, then treat [wipe] surface, using enough wipes to thoroughly [uniformly] wet the surface. Allow to air dry, reapply weekly.

[Use of this product on a floor or flooring surface is not recommended and may cause a slipping hazard.]

Note to reviewer: All text in brackets [...] is optional and may or may not be included on a final label. All text in braces {...} is administrative and will not appear on a final label. Portions or all of the label may be bilingual. Claims on this page are optional and may appear on any label panel.

[This product contains Hydrogen Peroxide, which may cause temporary skin whitening after prolonged contact. Wash hands with soap and water.]

[Not for personal cleansing.] [This is not a baby wipe!] [Do not flush in toilet.]

This product [name brand] [is compatible with] [will not harm] *(surfaces will be selected from the following)* acrylic, aluminum, brass, ceramic, Corian®, glass, sealed granite, laminate countertops, LCD screens, LDPE, [brushed] nickel, painted surfaces, polycarbonate, polypropylene, polyurethane varnish, PVC, silicone rubber, stainless steel, vinyl, vinyl rubber, glazed porcelain and similar hard, [finished] nonporous surfaces. [Spot test before using.]

**PRECAUTIONARY STATEMENTS**

Hazards to Humans and Domestic Animals

**WARNING**

Causes substantial but temporary eye injury. Do not get in eyes or on clothing. Avoid contact with eyes. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

**FIRST AID**

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**HOTLINE NUMBER [1-888-346-4652]**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**Physical and Chemical Hazards**

This product contains an oxidizing agent.

**STORAGE AND DISPOSAL**

Store in area inaccessible to children. Dispose of [wipe][towelette] in trash after use. Do not flush.

**Container Handling** *{One of the following sections will be used for the applicable container type}*  
*{for canister:}*

Tightly close lid between uses to retain moisture. Nonrefillable container. Do not reuse or refill this [container] [canister]. Offer empty [container] [canister] for recycling if available or discard in trash.

*{for pouch/package:}*

Reseal [label][lid] between uses to retain moisture. Do not reuse or refill empty [pouch] [package]. Offer empty [package] [pouch] for recycling if available or discard in trash.

*{Lot code and/or expiration date may appear on either the container or label}*

Note to reviewer: All text in brackets [...] is optional and may or may not be included on a final label. All text in braces {...} is administrative and will not appear on a final label. Portions or all of the label may be bilingual. Claims on this page are optional and may appear on any label panel.
